

Volunteer: In Vietnam on the Buffalo Build!

15th - 12th December 2020, Vietnam

Buffalo Build Information

LONG AN, VIETNAM

Get your hands dirty working alongside local communities to provide strong homes in Long An, Vietnam by assisting low income households affected by the impacts of climate change and natural disasters.

Long An is considered a low-income province and has a poverty rate of nearly 7% of the total population of approx. 1.458 million. Of the population identified as living in poverty, 16,735 households live in substandard or inadequate housing, with very poor or non-existent access to water and sanitation. In spite of the province's proximity to Ho Chi Minh City, its primary industries remain agriculture and aquaculture.
