

Volunteer: In Vietnam on the Team in the North Build!

6th - 13th June 2020, Vietnam

Team in the North Build Information

THAI NGUYEN, VIETNAM

Get your hands dirty working alongside local communities to provide strong homes in the Dai Tu province of Thai Nguyen which has some of the highest rates of poverty in the country.

Dai Tu District where the project is being implemented is one of the most marginalized districts of Thai Nguyen province with livelihoods predominantly dependent on agricultural production such as rice, tea, crops and forestation. . For the low income families living in non-sustainable housing, they remain trapped in a cycle of continuous investment for temporary repairs or renovations. By volunteering for this build you will be able to help break the poverty cycle in Thai Nguyen and help these families have a safer present and a more sustainable future.
