

Shop for a cause at ReStore!

ReStore is a new social enterprise of Habitat for Humanity South Australia. We sell new and 'gently used' building materials and products, including furniture, that might otherwise have gone to landfill.

Items are donated by businesses and the general public, and then sold at heavily discounted prices, making your home construction or renovations more affordable.

Funds generated by ReStore go towards Habitat for Humanity's home building and improvement programs for South Australian families in need.

By supporting ReStore, you are helping us fulfill our vision of a world where everyone has a decent place to live.

donate

Businesses can donate building and construction products including overstocked or discontinued items.

Downsizing, moving or just cleaning up at home? ReStore accepts new and gently used furniture.

By donating to ReStore you are also reducing the amount of materials going to landfill. So it's a good deal for you, the community and the environment.

volunteer

Looking for ways to help the community? ReStore is always looking for volunteers to join our amazing team.

Whether you enjoy being on the shop floor interacting with the public, collecting or sorting goods, fixing or re-purposing items, there is an opportunity for you.

Volunteer knowing that your efforts help families secure a better future!
